

Seeing the Cross

CityLight

Am Am/B F
Being lead unto the cross
C Em F
Jesus knew he was paying our cost
Am Am/B F
Taking sin onto himself
C Em F
Seeing death and knowing it too well
Am Am/B F
He was mocked, he was maligned
C Am/B F
By the ones for whom he knew he'd die
Am Am/B F
Crown of thorns, placed on his head
C Am/B F
I was standing there just to condemn

Am G F
Nothing can explain it
F G C
But the love of our God
Am G F
It doesn't make sense
F G C
But he is gracious
F G Am
But he is gracious

Verse 2

Am Am/B F
Upon the cross Jesus died
C Em F
He for us is the true way to life
Am Am/B F
Knowing the pain that's to die
C Em F
He became the one true sacrifice

Chorus

Am Am/B F
Yet on the third day he rose
C Em F
Crown of shame was for glory imposed
Am Am/B F
God's victory had been achieved

C Em F
For his children to be justly free

Am G F
Nothing can explain it
F G C
But the love of our God
Am G F
It doesn't make sense
F G C
But he has saved us
F G Am
But he has saved us
